What stock would you like to research today?
(+ drop-down menu)

Our pick for today: AMZN | Amazon | \$3,200

BUY

Option #3:

Your virtual portfolio:

- Apple | AAPL | 5 stocks | \$120 | \$600
BUY MORE **SELL**
- Netflix | NFLX | 1 stock | \$480 | \$480
BUY MORE **SELL**
- Facebook | FB | 2 stocks | \$170 | \$340
BUY MORE **SELL**

Total: \$1420

Your investing term of the day: "Candlestick"

Candlestick charts are used by traders to determine possible price movement based on past patterns. Candlesticks are useful when trading as they show four price points (open, close, high, and low) throughout the period of time the trader specifies.
